TO BE | HONEST | OUR DOUGH AT TOTO PIZZA IS

A BIT NEEDY.

Creating a great pizza means working from the bottom up, molly-coddling the dough, giving it oodles of love and attention, then leaving it on its lonesome. The moment you order a pizza is the moment our dough emerges from its solitude, ready to rise to the needs of any occasion, large or small.

A FEW THINGS

Due to the size of restaurant we can only serve half metre pizzas. Metre or half metre? A half metre pizza is plenty for three people, therefore a metre is good for six people. The ingredients we use: New Zealand made organic cow milk mozzarella, the tomatoes are a San Marzano variety and our cheeses are the real deal, as are our cured meats, 'autentica', from Italy.
